

Approaches to Purchasing ICT Equipment for your School

- What does our school have already?
- What do we need over the next five years?
- What to look for in
 - PCs/Laptops,
 - Chrome books
 - Tablets e.g. battery life, storage capacity, processor, memory, price.
- Benefits of each type of computer
- Where to get additional information and help e.g. PDST-TIE website.
- Requesting tenders from suppliers
- Analysing tenders received from suppliers
- Question & answer session

Date: Monday 30th January, 2017
Time: 4.00pm to 6.00pm
Venue: Mayo Education Centre

Facilitator: "Paul de Lacy is a primary school teacher and ICT Tutor. He has been involved in the purchase of ICT equipment for a number of schools in which he has worked and had purchasing responsibilities in his earlier career in the IT industry.
