

## Engineers' Week

CPD for Primary Teachers

**Engineering the Moon:  
The engineering challenges  
of being on the Moon**

**Wednesday 27<sup>th</sup> February 2019 at Mayo Education Centre**

This free, 2-hour course will show participants how to use inquiry based learning techniques to promote children's learning and understanding of Science, Technology, Engineering and Maths (STEM). Participants will also explore activities that support the theme of [Engineers' Week](#). These have been developed from ESERO and Discovery Primary Science & Maths resources.

This course is being offered with the support of [Science Foundation Ireland](#), [ESERO Ireland](#) (European Space Education Resource Office) and the Mayo Education Centre.

### Science Foundation Ireland Discover Science & Maths Award

Engineers Week is an opportunity for primary school students and teachers to learn more about engineering, have fun, and win prizes. Running or attending an Engineers Week event counts towards the criteria for the [Science Foundation Ireland Discover Science & Maths Award](#).

**Date:** Wednesday 27<sup>th</sup> February 2019  
**Time:** 4.30pm to 6.30pm  
**Venue:** Mayo Education Centre

Tea and coffee will be served at the start of the session.

For further details of the course content, please contact Frances McCarthy of Blackrock Castle Observatory by email: [frances.mccarthy@bco.ie](mailto:frances.mccarthy@bco.ie)
