

Mayo Education Centre January/February 2018

Title	Date	Time	Venue Facilitator	Details
Internet Safety and Cyber Bulling For Teachers & Parents (SP-18-01)	Tuesday 30 th January	7pm	Mayo Education Centre Facilitator: Jeremy Pagden Lurtel Ltd.	This seminar will help to raise awareness on a range of important topics including: The dangers of using social media, Cyber bullying, Internet predators, Safe use of apps, Cyber Theft, etc. Participants will receive practical advice on how to monitor internet activity as well as lots of practical solutions. This programme is organised in collaboration with the Family Centre.
Beginner Sign Language Course Fee: €30 For Teachers & SNA's (SP-18-02)	<u>Five Tuesday's</u> 30th January 6th February 20th February 27th February 6th March	7pm to 8.30pm	Mayo Education Centre Facilitator: Tara Mc Nally	Learn Sign Language in a fun and interactive environment. Participants on this course will learn a range of topics to build up their sign language skills and will learn about the history of the Deaf community and their culture. This course is open to teachers and SNA's and costs €30 per participant.
Supporting Your Child To Build Healthy Friendships & Relationships For Parents of Primary Schools (SP-18-03)	Tuesday 6 th February	7.30pm	Mayo Education Centre Facilitator: Helen Mortimer	The overall aim of this course is to help parents/guardians in their role in parenting their children to have healthy friendships and relationships at home and in their personal lives. It will inform parents on what is taught in relationships and sexuality education (RSE) and the approach that is used by the teacher. It will enable parents to have a clear understanding of the content of the RSE part of the Social Personal Health Education (SPHE) curriculum. This programme is organised in collaboration with the Family Centre.
Differentiation in the Post Primary School (SP-18-04)	Thursday 22nd February	7pm	Mayo Education Centre Facilitator: Joan Nugent	Students learn differently. They have different styles of learning and different approaches work best with different students. This course will consider the different types of differentiation and give examples of these. It will examine the benefits of groupings and how groups work best for different tasks. It will reflect on the value of student output and whether quality or quantity is of most value for students with Special Educational Needs.
Spring Crafts (SP-18-05)	Wednesday 21 st February	7pm	Mayo Education Centre Facilitator: Isabela Hoban	SPRING CRAFTS: For Mother's Day, St. Patrick's Day & Easter. This will be a very enjoyable hands-on practical workshop spent making a variety of lovely, creative and fun crafts for upcoming events. There will be craft ideas for display in the classroom and crafts for children to make in the classroom and take home. Absolutely no experience required
Numicon For Teachers & Parents (SP-18-06) & (SP-18-07)	Wednesday 28 th February	Teachers 4.30pm – 7pm Parents 7.30pm – 9.30pm	Mayo Education Centre Facilitator: Rose Anne Basquel	Mayo Education Centre in association with The Family Centre, Castlebar, are delighted to provide training specifically for Parents of children with special educational needs. Numicon® Maths system is a multi-sensory approach to number teaching. This workshop will be targeted at children operating at the following curriculum levels: Junior/Senior Infants, 1st, 2nd. Some early multiplication is also included. Numicon imagery uses patterns to represent each numeral, the patterns are structured so number relationships can be seen in a way not provided by written numerals. Teachers find that pupils are motivated by Numicon and quickly develop positive attitudes to maths, resulting in raised achievement.

The above courses may fulfill part of your school's Croke Park Agreement. Courses are FREE and are available on a first come, first served basis. It is very important that you contact us if you have any special requirements regarding mobility or special needs.
