What's more , the facilitator Samantha will talk to you about the cost savings you could be making with no maintenance, no projector lamps and no expensive blackout blinds.
Numicon <i>(SP-17-02)</i>	Thursday 26th January	5pm	Mayo Education Centre Facilitator: Rose Anne Basquel	Numicon® Maths system is a multi-sensory approach to arithmetic teaching for Foundation, Key Stage 1 and older pupils with special needs. Teachers find that pupils are motivated by Numicon and quickly develop positive attitudes to maths, resulting in raised achievement. Aims of Training: <ul style="list-style-type: none"> To give an overview of the Numicon teaching programme and the rationale. To demonstrate that Numicon is an inclusive approach to support typically developing children and those with special needs. To give participants plenty of practical experience with Numicon so they are confident to support others using it and confident to use it themselves as a part of their maths teaching.
Introduction to German Leaving Cert Orals <i>(SP-17-03)</i>	Thursday 26th January	7pm	Mayo Education Centre Facilitator: Beatrice Gericke	This workshop will introduce creative and helpful ways to prepare Leaving Cert students for their German orals. The general focus will be on introducing task-oriented material that will help teachers tackling exam-based assignments such as: Picture Stories and Rollenspiele. Preparation material supplied.
Supporting Pupils with Autistic Spectrum Disorder For Teachers, Parents & SNA's <i>(SP-17-05)</i>	Wednesday 1st February	7pm	Mayo Education Centre Facilitator: Dr. Michele Dunleavy	This seminar will assist teachers and parents to work collaboratively to provide effective support for pupils with ASD and create an environment whereby teachers and parents can gain an insight into how both groups can support the pupil with ASD. <i>This seminar is organised in collaboration with the Family Centre.</i>
Developing Emotional Wellbeing & Positive Mental Health in Primary School Children <i>(SP-17-06)</i>	Tuesday 7th February	7pm	Mayo Education Centre Facilitator: Stephanie O' Malley Educational Psychologist	This workshop examines the core building blocks to developing emotional wellbeing in students and the relationship between attachment-based learning, positive mental health and academic outcomes for students. The focus of the workshop is on how to implement practical strategies to support the emotional wellbeing of students in a school environment.
Talking With Your Teens For Teachers & Parents <i>(SP-17-09)</i>	Wednesday 15th February	7pm	Mayo Education Centre Facilitator: Laura Coleman	As many young people go through the teenage years they seem to become more distant from their parents and other adults around them. Often communication with teens becomes more difficult and may become more stressful. This workshop is suitable for parents and teachers and will look at ways that might help to keep the channel of communication open and positive. <i>This seminar is organised in collaboration with the Family Centre.</i>
Internet Safety and Cyber Bulling For Teachers & Parents <i>(SP-17-10)</i>	Thursday 16th February	7pm	Mayo Education Centre Facilitator: Jeremy Pagden Lurtel Ltd.	This seminar will help to raise awareness on a range of important topics including: The dangers of using social media, Cyber bullying, Internet predators, Safe use of apps, Cyber Theft, etc. Participants will receive practical advice on how to monitor internet activity as well as lots of practical solutions. <i>This programme is organised in collaboration with the Family Centre.</i>
