

Road Safety Art Competition 2018 Calendar

A Chara,

As you are aware, road safety is a crucial part of everyday life for children. To craft an awareness to all children of the important aspects of road safety, The Mayo Board of Education and Mayo County Council would like to invite your school to take part in our Road Safety Art Competition. The theme of our competition is:

“Getting Safely to School”.

There will be twelve winners chosen from the competition and each winning picture will feature in our 2018 Calendar. Winning artists will also receive a prize and all participating schools will enter a draw to receive vouchers for school library books. Students entering the competition must be in 5th or 6th class.

The closing date for the competition is Friday, the 8th of December. We would appreciate it if each school would forward all their entries together and address the envelope to:

The Road Safety Art Competition,
Mayo County Council,
Aras an Chontae,
Castlebar.

We would like to thank all participating schools in advance and very much look forward to all entries, this competition was a great success in 2017.

Yours faithfully,
Noel Gibbons
Road Safety Officer
