WHAT IS A COOKIE

Mayo Education Centre (“we”, “us”, or “our”) use cookies to make our website work properly and to improve your browsing experience. A cookie is a small piece of data that may be stored on your computer or mobile device. It allows a website to “remember” your actions or preferences over a span of time. Further information on cookies can be found [here](#).

HOW DO WE USE COOKIES?

We use cookies to administer our Website, compile Website usage statistics, to monitor Website usage and to help us further develop this Website.

Navigation Cookies – These cookies are used to enable essential features that provide you with access to our Website content, products and services. Without these cookies you may not be able to use certain features of the Website or access certain products, content or services.

Functional Cookies - Cookies that remember your preferences and allow us to ensure that our Website content is presented effectively for you and for the device you are using to access this Website

Analytics Cookies – Cookies that assist us in understanding how visitors use and interact with the Website. Typically, Analytics Cookies aggregate anonymised information about pages visited, length of visit, links clicked on along with details of where the visit originated from. All data collected by Analytics Cookies is anonymised and does not contain any personal identifiable information.

Social Sharing Button Cookies – These cookies allow you to share pages and content on our Website through third-party social networks and other websites.

MANAGING COOKIES

Within your browser you can control and/or delete cookies as you wish. Different browsers have different control mechanisms available to you and we have provided some links to instructions for some of the most popular browsers below.

You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being placed. If you do this, however, you may have to manually adjust some preferences every time you visit our site and some services and functions may not work.

Generally, browsers will offer you the choice to accept, refuse or delete cookies at all times, or those from providers that website owners use ("third party cookies"), or those from specific websites.
